

PATENT / DOCKET NO.: RR2606US/22171.240

DECLARATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled

A FLEXIBLE FRAME STRUCTURE FOR A CDMA WIRELESS NETWORK

the specification of which was filed on August 11, 1999 as PCT International Application Number PCT/US99/18222.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, 81.56.

I hereby claim the benefit under Title 35, United States Code §120 of any United States Application or 365(c) of any PCT International Application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International Application in the manner provided by the first paragraph of 35 USC §112, I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56 which became available between the filing dated of the prior application and the national or PCT International Filing Date of this application.

PCT/US99/18222

Application Number

August 11, 1999

Filing Date

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate on the invention listed below and have also identified below any foreign application for patent or inventor's certificate on the invention having a filing date before that of the application on which priority is claimed:
